

The poster features a central circular frame made of a brown, gnarled branch. Inside the frame, the text 'Fira del tió' is written in a red, cursive font, followed by 'ARBÚCIES' in a bold, red, sans-serif font, and '7 i 8 de desembre de 2024' in a smaller, red, sans-serif font. The background is a light grey with a subtle pattern of white snowflakes. Scattered around the frame are various festive elements: green pine branches with needles, holly leaves with red berries, and three cartoon 'tio' figures. Each 'tio' is a brown, round character with a red beret, large eyes, and a smiling mouth. The overall style is clean and modern with a festive, winter theme.
